Professional Advancement Escape
CME, BEACH & CULTURE IN BALI
APRIL 9 – 25, 2021

The tour... Our seventh program to Bali hosted by Dr. Mel Borins...

Bali, the most magical, and mythical, of all the charismatic archipelago of **Indonesia**. Breathtaking panoramas of rice terraces, impressive volcanoes and pristine beaches. Some call it the 'Island of the Gods' - a truly beautiful tropical island inhabited by a remarkably artistic and spiritual people who have created a dynamic society with unique arts and ceremonies. Our island adventure will take you to **Ubud**, the heart of Bali's arts, dance & music; **Candi Dasa** on the spectacular East coast with its lofty mountains, curving bays & crystalline waters; **Mengwi** with its wonderful views and rural life; **Pemuteran and Menjangan Island**, an amazing snorkeling and beach experience; and **Sanur**, a mature beachfront town. Embark on a cultural immersion as you meet with traditional Balinese healers, enjoy private meetings with royal families, explore sacred temples and experience colorful ceremonies. Bali has enchanted visitors for centuries – let it cast its spell over you as we take you on an educational journey that you will never forget.....
