CME & CULTURAL TOUR OF BALI

JUNE 30 – JULY 16, 2012 (15 days)

The tour...

Bali, the most magical, and mythical, of all the charismatic archipelago of **Indonesia**. Breathtaking panoramas of cultivated rice terraces, impressive volcanoes and pristine beaches. Some call it the 'island of the gods' - a truly beautiful tropical island inhabited by a remarkably artistic and spiritual people who have created a dynamic society with unique arts and ceremonies. Our island adventure will take you to **Ubud**, the heart of Bali's arts, dance & music; **Pemuteran and Menjangan Island**, the spiritual centre; **Mengwi** with it's wonderful views and plantations; **Amed**, with it's lofty mountains, curving bays & crystalline waters; and **Legian**, a laid back beachfront town. Embark on a cultural and spiritual immersion as you meet with traditional Balinese healers, enjoy private meetings with royal families, explore sacred temples and experience colorful festivals and ceremonies. Bali has enchanted visitors for centuries – let it cast it's spell over you as we take you on an educational and spiritual journey that you will never forget.....

The CME program... Traditional Healing theme Group Medical Director – Dr. Mel Borins, Toronto

- Presentations on traditional healing from local Balinese healers techniques (Bone setters, BaliAns and Spiritual healers)
- Herbal medicine lectures
- Medical seminars at Udayana University
- Suryani Institute of Mental Health
