Professional Advancement Escape CME, BEACH & CULTURE IN BALI

APRIL 25 - MAY 11, 2015

The tour...

Bali, the most magical, and mythical, of all the charismatic archipelago of **Indonesia**. Breathtaking panoramas of cultivated rice terraces, impressive volcanoes and pristine beaches. Some call it the 'Island of the Gods' - a truly beautiful tropical island inhabited by a remarkably artistic and spiritual people who have created a dynamic society with unique arts and ceremonies. Our island adventure will take you to **Ubud**, the heart of Bali's arts, dance & music; **Amed**, with it's lofty mountains, curving bays & crystalline waters; **Mengwi** with it's wonderful views and rural life; **Pemuteran and Menjangan Island**, an amazing snorkeling and beach experience; and **Sanur**, a mature beachfront town. Embark on a cultural immersion as you meet with traditional Balinese healers, enjoy private meetings with royal families, explore sacred temples and experience colorful ceremonies. Bali has enchanted visitors for centuries – let it cast it's spell over you as we take you on an educational journey that you will never forget.....
