CME, BEACH & CULTURE IN BALI

MARCH 30 - APRIL 15, 2019

The tour...

Bali, the most magical, and mythical, of all the charismatic archipelago of **Indonesia**. Breathtaking panoramas of rice terraces, impressive volcanoes and pristine beaches. Some call it the 'Island of the Gods' - a truly beautiful tropical island inhabited by a remarkably artistic and spiritual people who have created a dynamic society with unique arts and ceremonies. Our island adventure will take you to **Ubud**, the heart of Bali's arts, dance & music; **Candi Dasa** on the spectacular East coast with its lofty mountains, curving bays & crystalline waters; **Mengwi** with it's wonderful views and rural life; **Pemuteran and Menjangan Island**, an amazing snorkeling and beach experience; and **Sanur**, a mature beachfront town. Embark on a cultural immersion as you meet with traditional Balinese healers, enjoy private meetings with royal families, explore sacred temples and experience colorful ceremonies. Bali has enchanted visitors for centuries – let it cast its spell over you as we take you on an educational journey that you will never forget.....

The CME program... Alternative Medicine (17 CME hours) Group Medical Director – Dr. Mel Borins, Toronto

- Keynote - "A Doctor's Guide to Alternative Medicine - What Works, What Doesn't and Why" - Dr. Mel Borins
- Presentations on traditional healing practices from local Balinese healers
- Medical seminars at Udayana University (Ubud)
- Suryani Institute of Mental Health
- Senang Hati, a developmentally disabled NGO facility
- Holistic Hospital (Mengwi)

What the physicians are saying about our escapes...

"This trip was remarkably well organized and a truly memorable experience. I would not hesitate to give it my highest recommendation and might even go again! Soon!"

Dr. Mary Bruckschwaiger, London, On. – Bali, 2018

"The tour was amazing"

Dr. Doug MacIntosh, Peterborough, On. - Bali, 2015
