CME, BEACH & CULTURE IN BALI

APRIL 24 – MAY 10, 2020

The tour... Our sixth program to Bali hosted by Dr. Mel Borins...

Bali, the most magical, and mythical, of all the charismatic archipelago of **Indonesia**. Breathtaking panoramas of rice terraces, impressive volcanoes and pristine beaches. Some call it the 'Island of the Gods' - a truly beautiful tropical island inhabited by a remarkably artistic and spiritual people who have created a dynamic society with unique arts and ceremonies. Our island adventure will take you to **Ubud**, the heart of Bali's arts, dance & music; **Candi Dasa** on the spectacular East coast with its lofty mountains, curving bays & crystalline waters; **Mengwi** with its wonderful views and rural life; **Pemuteran and Menjangan Island**, an amazing snorkeling and beach experience; and **Sanur**, a mature beachfront town. Embark on a cultural immersion as you meet with traditional Balinese healers, enjoy private meetings with royal families, explore sacred temples and experience colorful ceremonies. Bali has enchanted visitors for centuries – let it cast its spell over you as we take you on an educational journey that you will never forget.....

The CME program... **Alternative Medicine (17 CME hours)**
Group Medical Director – Dr. Mel Borins, Toronto

- Keynote - "A Doctor's Guide to Alternative Medicine - What Works, What Doesn't and Why" - Dr. Mel Borins
- Presentations on traditional healing practices from local Balinese healers
- Medical seminars at Udayana University (Ubud)
- Suryani Institute of Mental Health
- Senang Hati, a developmentally disabled NGO facility
- Holistic Hospital (Mengwi)

What the physicians are saying about our escapes...

"This trip was remarkably well organized and a truly memorable experience. I would not hesitate to give it my highest recommendation and might even go again! Soon!"

Dr. Mary Bruckschwaiger, London, On. – Bali, 2018

"The tour was amazing"

Dr. Doug MacIntosh, Peterborough, On. - Bali, 2015
