CME & ECOLOGICAL TOUR OF ECUADOR (INCLUDING THE GALAPAGOS & ECUADORIAN AMAZON)

NOVEMBER 25 – DECEMBER 10, 2019

The tour...

Andean culture, Amazon rainforest, volcanic countryside, colonial cities, the Galapagos Islands – this is Ecuador, home to arguably the most spectacular array of natural and cultural diversity anywhere. Our luxury tour takes you into the **Galapagos Islands** – one of the most undisturbed and incredible eco systems on earth with its incredibly unique species and the home of Darwin's theory of evolution. Then, head into the heart of the **Amazon rainforest** with its multitude of plants, birds and animals. Hike, canoe or simply sit on your private cabana's terrace and see the greatest bio-diversity in the planet as well as learning about the indigenous population and their culture. And explore **Quito**, with its UNESCO colonial centre and countless museums as well as a visit into the spectacular Andean foothills and a stay in a local hacienda in **Otavalo**, the continent's most famous trading fair. And afterwards, the opportunity to extend your trip into **Peru** including **Cuzco & Machu Pichu** and the fascinating Inca culture.

The CME program (15 CME hours)...

Group Director – Ian Rayment, Principal & Founder of Doctors-on-Tour

- Academic conference with local and Canadian speakers
- Public / private hospital visits in Quito
- Presentations from indigenous people & local practitioners on herbal medicine & Shamanism
- Travel medicine / ship's hospital visit and onboard medical issues
