CME, ECOLOGICAL & CULTURAL TOUR OF GALAPAGOS ISLANDS & PERU

NOVEMBER 13 - 28, 2021

The tour...

Two of the most fascinating, and diverse, countries in South America – from ancient cultures to bustling cities to extraordinary landscapes – this is Ecuador & Peru. In **Peru**, visit the current capital, **Lima**; and the ancient Inca capital of **Cuzco**, gateway to the **Sacred Valley of the Incas** and the magnificent archaeological park of **Machu Picchu**. In **Ecuador**, join a cruise on the luxury vessel, the MV Santa Cruz II, in the **Galapagos Islands** – one of the most undisturbed and incredible eco systems on earth with its incredibly unique species and the home of Darwin's theory of evolution. Also, explore **Quito**, with its UNESCO colonial centre and countless museums and the spectacular **Otavallo region** with its valleys, lakes and age-old haciendas.
