CME, ECOLOGICAL & CULTURAL TOUR OF GALAPAGOS ISLANDS & PERU

OCTOBER 12 - 26, 2018

The tour...

Two of the most fascinating, and diverse, countries in South America – from ancient cultures to bustling cities to extraordinary landscapes – this is Ecuador & Peru. Explore Quito, with its UNESCO colonial centre and countless museums and stay in a local hacienda in Otavalo, in the spectacular Andean foothills. Then join a cruise in the **Galapagos Islands** – one of the most undisturbed and incredible eco systems on earth with its incredibly unique species and the home of Darwin's theory of evolution. In Peru, visit the current capital, **Lima**; and the ancient Inca capital of **Cuzco**, gateway to the **Sacred Valley of the Incas** as well as the magnificent archaeological park of **Machu Picchu**.

The CME program (15+CME hours)...

Group Director – Ian Rayment, Principal & Founder of Doctors-on-Tour

- Academic Program on board M/V Santa Cruz II
- Travel medicine / ship's hospital visit
- Presentations from indigenous people on herbal medicine & Shamanism
- Visits to hospitals in Cuzco and Otavalo/Quito

What our clients are saying about our escapes...

"It was our first trip with your company. John and I loved it. The itinerary was perfect. Busy days followed by quieter ones. The coordination was superb. Thank you. We had the trip of a lifetime!"
