## Professional Advancement Escape CME & SAFARI TOUR OF KENYA & TANZANIA

AUGUST 16 - 29, 2013

### The experience...

Our most exhilarating tour – experience the plethora of wildlife, including, of course, the Big Five, “up close & personal” as you traverse East Africa’s most spectacular game reserves accompanied by knowledgeable and professional local experts.

**Lake Nakuru, Maasai Mara, Serengeti & Ngorongoro** are just some of the areas you will visit – and you’ll witness the **Annual Migration**, the greatest spectacle on earth. But it’s not all wildlife - in **Kenya**, discover the diversity of both it’s culture and people (including learning about traditional healing from a local Maasai medicine man), witness the breathtaking landscapes of the Great Rift Valley as well as spending a few days in the cosmopolitan capital of Nairobi. And in **Tanzania**, learn why this country is known as the “cradle of civilization” when you visit the Odulvai Gorge and marvel at the Ngorongoro Crater – the largest caldera in the world and a UNESCO heritage site. Optional extension to the exotic Spice Island of **Zanzibar** to relax on it’s stunning beaches & relive all the wonders you have experienced...
