BEACHES & CULTURE IN BALI

APRIL 25 - MAY 11, 2015

The tour...

Bali, the most magical, and mythical, of all the charismatic archipelago of **Indonesia**. Breathtaking panoramas of cultivated rice terraces, impressive volcanoes and pristine beaches. Some call it the 'Island of the Gods' - a truly beautiful tropical island inhabited by a remarkably artistic and spiritual people who have created a dynamic society with unique arts and ceremonies. Our island adventure will take you to **Ubud**, the heart of Bali's arts, dance & music; **Amed**, with it's lofty mountains, curving bays & crystalline waters; **Mengwi** with it's wonderful views and rural life; **Pemuteran and Menjangan Island**, an amazing snorkeling and beach experience; and **Sanur**, a mature beachfront town. Embark on a cultural immersion as you enjoy marvelous vistas, enjoy private meetings with royal families, explore sacred temples, experience colorful ceremonies and relax on the island's exquisite beaches. Bali has enchanted visitors for centuries – let it cast it's spell over you as we take you on an journey that you will never forget.
