# CME, CULTURAL, ECOLOGICAL & WINE TOUR OF CHILE & ARGENTINA (including 4 day Patagonia cruise)

February 28 - March 14, 2014

OPTIONAL 3 DAY EXTENSION TO THE ATACAMA DESERT, CHILE

## The tour...

**Argentina** and **Chile** – two of the most varied countries in South America. From fashionable **Buenos Aires**, with its European sophistication, to **Tierra del Fuego** and the southernmost city on the continent, **Ushuaia**. From here, embark on the Stella Australis for an unforgettable **expedition cruise** to take you around the tip of America and Cape Horn to Punta Arenas in **Chilean Patagonia**. Then, head back north to **Puerto Natales** and the magnificent **Torres del Paines** National Park before ending your tour in **Central Chile** and, the capital, **Santiago**, where you will see the cultural highlights and be introduced to several of the excellent wines of this area at some of the finest **Chilean vineyards** with time for relaxing, or exploring, in your base of the fashionable Pacific coastal resort of **Vina del Mar**. And why not complete your trip with an optional extension to the spectacular lunar landscapes of the **Atacama desert** in Northern Chile...

## The CME program (15+CME hours)...

Group Medical Director – Dr. Lorna D'Silva

- Hospital visits in Buenos Aires, Ushuaia and Vina del Mar as well as on the M/V Stella Australis
- Shipboard Academic conference with local and Canadian speakers
- Naturalist lecture on Aboriginal Medicine

## What our clients are saying about our escapes...

*"A great idea to be able to combine the two countries in one visit as it allows one to compare and contrast. The choice to meet with local physicians in both private and public hospitals provided an opportunity to experience health care outside of Canada"*

Dr. Edo Teku, Toronto - Chile, Argentina and Patagonia Cruise, 2012

## Included in the price...

- International flights from Toronto to Buenos Aires / Santiago to Toronto and all internal flights in Argentina & Chile
- Modern, air conditioned coach transportation
