The tour...

Argentina and **Chile** – two of the most varied countries in South America. From here, embark on the *Stella Australis* for an unforgettable **expedition cruise** to take you around the tip of South America and Cape Horn through the Fjords of Tierra del Fuego to Punta Arenas in **Chilean Patagonia**. Then, head back north to **Puerto Natales** and the magnificent **Torres del Paines** National Park before ending your tour in **Central Chile** and, the capital, **Santiago**, where you will see the cultural highlights and be introduced to several of the excellent wines of this area at some of the finest **Chilean vineyards** with time for relaxing, or exploring, in your base of the fashionable Pacific coastal resort of **Vina del Mar**. And why not complete your trip with an optional extension to the spectacular lunar landscapes of the **Atacama desert** in Northern Chile...

What our clients are saying about our escapes...

"We felt the tour is one of the best (CME tours) we have been on. We keep missing the great Chilean wines and Argentinian beef. Right sized group and great company. CME tours were interesting and informative. Our guides were good and I enjoyed learning about the country from their comments".
