Learn about the somber history of **Hiroshima** and Peace Memorial Park and visit charming **Miyajima**, a small sacred island located in the Seto Inland Sea before concluding your Japanese immersion in **Kyoto**, with its multitude of temples, shrines and castles, one of the best preserved cities in Japan.

What our clients are saying about our escapes…

"The Japan experience ranks among the very best offered by DoT - seamlessly blending the country's rich history and culture with outstanding cuisines and activities. The farewell Kimono dinner with Geisha entertainment was particularly noteworthy as well as the beauty of the Five Lakes region, majesty of Mt. Fuji, the ryokan experience and the many beautiful Japanese gardens and historic sites! Outstanding experience!""
