What our clients are saying about our escapes...

*"Malaysia was exhilarating! We had a wonderful, adventurous time, especially in the Rain Forest. The local guides (Malek and Hirzan) were very friendly and helpful, very well versed in the history of Malaysia and we learnt a lot. The canopy walk was breathtakingly hair-raising. The tour was very well organized and the optional stay in Singapore was very relaxing. We look forward to more of your tours in the future".*

Dr. Shiraz Walji, Calgary, AB - Malaysia & Singapore, 2019
