CME, ECO & CULTURAL TOUR OF MALAYSIA
OCTOBER 11 - 26, 2022

The tour...

Malaysia - vast contrasts and incredible diversity, a melting pot of races and religions that boasts cosmopolitan cities with towering skyscrapers, tropical island beaches, jungle ecosystems and so much more. Start on the **Malaysian Peninsular** in the UNESCO town of **Malacca**, Malaysia's most historic city with its 19th century churches, temples, mosques; head to **Kuala Lumpur** with its bustling culture, night markets and famous Petronas Towers; continue to the colonial state capital of **Georgetown on the island of Penang**, a foodie's paradise with all its multicultural influences. Continue your adventure in **Sabah** on the island of Borneo to experience eco-culture at its best as you explore **Kota Kinabalu and the Kinabalu National Park** and stay at nature lodges on the **Kinabatangan River**, one of the richest wildlife areas in SEAsia where you will see orangutans, sunbears and the proboscis monkey.

The CME program (17 CME hours)...
Group Medical Director – Dr. Serge Puksa, Hamilton, On.

- Academic Program in Sandakan
- Medical faculty meeting at University Malaysia Sabah (Kota Kinabalu)
- Visit Cleft Lip and Palate Association (KL)
- Visit to local clinics (Penang)
- Traditional Siddha & Chinese medicine
- Herbal medicine

What our clients are saying about our escapes...

"Malaysia was exhilarating! We had a wonderful, adventurous time, especially in the Rain Forest. The local guides (Malek and Hirzan) were very friendly and helpful, very well versed in the history of Malaysia and we learnt a lot. The canopy walk was breathtakingly hair-raising. The tour was very well organized and the optional stay in Singapore was very relaxing. We look forward to more of your tours in the future".

Dr. Shiraz Walji, Calgary, AB - Malaysia, 2019

"I totally loved Singapore and Malaysia. The local escorts were honestly a ten star. There was nothing they would not do for us".
Dyana Driscoll, Toronto, ON. – Malaysia, 2018
