PLACES !

Dr. Peter Bloch, Oakville and doctors-on-tour.ca present a
**CME, CULTURAL & GASTRONOMICAL TOUR OF
SPAIN AND PORTUGAL**

OCTOBER 13 – 29, 2012 (16 days, 15 nights)

The tour...

Explore two of Europe's most satisfying destinations. **Spain**, is a treasure chest of artistic and architectural marvels across a matchless cultural palette. It's landscape is a mixture of rugged mountain ranges, fabulous beaches and historic medieval towns dotted across it's rolling interior. Marvel at the sites and witness the zest for life of the vibrant local people as you visit many of it's most famous centers - **Barcelona**, the cosmopolitan capital of Catalonia; **Zaragoza**, with it's history of co-habited Muslim, Roman & Jewish cultures; the **Rioja** wine capital of **Logrono**; the festival coastal resort of **San Sebastian**; the Castillian capital of **Burgos**; the capital, **Madrid** including it's world famous Prado museum; and finally the former Spanish capital, and now UNESCO town, of **Toledo**. Then onto it's Iberian neighbor, **Portugal** to explore **Lisbon** and its classy northern sibling, **Porto**, entrance to the **Douro wine region**. And combine all this with wine tasting at local bodegas as well as experiencing the gastronomical flavors of each region – including **hands-on cooking classes**. A rich tapestry of experiences that will leave you hungry, and thirsty, for more....

The CME academic program...

Group Medical Director – Dr. Peter Bloch, Oakville, On.

Opportunities to hear Canadian & Spanish medical experts and visit local hospitals and other facilities including the Barraquer Ophthalmology Center (Barcelona) and the Ruber Clinic (Madrid).

What the physicians are saying...

The trip surpassed all my expectations. Well organized. The wineries were a treat!
