CME, CULTURAL & GASTRONOMICAL TOUR OF SPAIN

SEPTEMBER 22 - OCTOBER 2, 2016

The tour...

From its Roman relics to Muslim palaces, baroque cathedrals to Modernista constructions, Spain is a treasure chest of artistic and architectural marvels across a matchless cultural palette. It's landscape is a mixture of rugged mountain ranges, fabulous beaches and historic medieval towns dotted across it's rolling interior. Marvel at the sites and witness the zest for life of the vibrant local people as you visit many of it's most famous centers – **Barcelona**, the cosmopolitan capital of Catalonia; **Zaragoza**, with it's history of co-habited Muslim, Roman & Jewish cultures; the **Rioja** wine capital of **Logrono**; the festival coastal resort of **San Sebastian**; the Castillian capital of **Burgos**; the capital, **Madrid** including it's world famous Prado museum; and finally the former Spanish capital, and now UNESCO town, of **Toledo**.

And combine all this with visits to local bodegas as you sample one of the country's finest assets, it's superior wine collections, as well as experiencing the different gastronomical flavors of the region – including **hands-on cooking classes**. A rich tapestry of experiences that will leave you hungry and thirsty, for more....

What the physicians are saying about our escapes...

"Spain offered wonderful gastronomic experiences, lavished with outstanding wines and extremely hospitable people with a culture and history that is as rich as deep. We had access to exclusive vineyards, where we were submerged in to the local cuisine and regaled with their finest wines".
